Sir:

Petitioner requests expedited processing and a decision on the subject Application for Patent Term Adjustment. Recognizing the workload now facing the Petition's Office, and the non-extendable period to file a civil action under 35 U.S.C. § 154(b)(4)(A), petitioner requests expedited processing and decision so that the need to file a civil action can hopefully be avoided.

The petition fee of \$400 may be charged to Eli Lilly Deposit Account No. 05-0840. Please charge any deficiencies to Deposit Account 05-0840. If there are any other fees due in connection with the filing of this request, please charge them to Deposit Account 05-0840.

Respectfully submitted,
